CRICKLADE DEVELOPMENT FOUNDATION LIMITED

TREASURER'S REPORT

As was the case last year, the Society has yet to start trading and has been looking to buy a suitable property in Cricklade High Street in pursuance of its objects. Several have been looked at but without success so far. We have however continued to spend some of the grant monies received on pre-trading work such as the creation of a website presence.

The Profit & Loss Account therefore shows no operating profit with pre-trading expenses being met by grant payments received and the Balance Sheet net assets represent Members' share capital together with restricted reserves, being the balance of grant monies received.

HM Revenue & Customs Corporation Tax Services has confirmed that the Society will be treated as dormant for tax purposes until 30th September 2021.

The notes on page #6 forms part of these accounts.

Basis of Independent Examiner's report

My examination includes a review of the accounting records kept by the Society and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the directors concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent Examiner's Statement

In connection with my examination no matter has come to my attention which gives me reasonable cause to believe that, in any material respect, the requirements to keep accounting records for complying with the requirements of the Companies Act 2006 and the Co-operative and Community Benefit Societies Act 2014 with respect to accounting records and the preparation of financial statements have not been met or to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
